## KODAK Picture Kiosks

Proven market leadership. Winning retail solutions. Consumer satisfaction.

With over 85,000 KODAK Picture Kiosks worldwide, Kodak is the clear market leader in providing Kodak quality prints and gifts to consumers. Let our award-winning consumer experience deliver satisfaction for your shoppers. In 2007, over **42 million consumers** used a KODAK Picture Kiosk\*. Over **92%\*\*** of consumers who try the KODAK Picture Kiosk recommend it to friends and family. That's a lot of consumers who trust the Kodak name — and want to find the closest KODAK Picture Kiosk in their neighborhood. Designed to deliver the quality, speed, reliability and incredible ease of use you would expect from Kodak

- A range of models designed to meet a variety of retail needs
- Customize and configure a solution that works for you
- Easily update your kiosk to offer the latest winning consumer products from Kodak
- New template designs now available

### Kodak Picture Kiosks

#### KODAK Picture Kiosk GS Compact

The easy, affordable way to get your share of the growing digital print market

- Ideal for smaller to mid-sized retail photo printing opportunities. Best suited to 30-50 prints per day.
- Small footprint make this ideal for non-traditional photo retail
- Reliable, low maintenance – print up to 750 4x6 prints before you need to refill the media.
- Delivers Kodak quality prints with KODAK PERFECT TOUCH Technology for better, brighter pictures.
- Comes complete with point of sale materials from Kodak
